The application should in this case be addressed to the Amildar of the taluk concerned, under the conditions mentioned in para 2 above, the commission payable being however $\frac{1}{4}$ per cent instead of $\frac{1}{16}$ per cent. He will receive the application and the amounts of the bill and commission sent therewith and grant a receipt in the prescribed form and obtain the required supply bill from the District Treasury concerned and deliver it to the party on his surrendering the receipt originally granted.

5. Supply bills drawn on the District Treasuries will, as far as possible, be made payable at any Taluk Treasury within the district drawn upon. For payment at a Taluk Treasury, however, the payee will have to address the Deputy Commissioner, Treasury Department of the district, who will arrange for such payment as early as practicable.

6. The undersigned will be prepared to consider applications for supply bills to be issued at other treasuries from parties who require such bills regularly for trade purposes. The rates and conditions in the case of such supply bills will be specially settled by the undersigned.

MISCELLANEOUS.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G. 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette* will be supplied to Shanbhogs, Patels, Nad Patels and Shekdars within the Province at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bonâ fide* on duty at the time.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the English or the Kanarese portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance.* When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

1. Read letter No. 1050, dated the 24th March 1913, from the Secretary to Government of Mysore for Railways, calling for the views of the Board regarding the proposal for the construction of a Steam Tramway between Bangalore and Kunigal *via* Magadi.

Resolution.—The President explained the proposal to the meeting and invited a discussion. Many members took part in the discussion and there was a free interchange of views and after much deliberation it was unanimously resolved.

Firstly, that the construction of the proposed Steam Tramway between Bangalore and Kunigal *via* Magadi is desirable.

Secondly, that it be undertaken by the District Board themselves in preference to a private company, for the reasons that it is high time that such an influential and representative body as the District Board should interest themselves in making a beginning in developing concerns of the kind under reference that the raiyats of the tracts concerned would be directly reaping the benefits of the concern in as much as the profits go to improve the finances of the Board, that it would be far more easy for the Board to raise the requisite capital than it would be the case if the business is entrusted to a private company that the burden imposed on the Board at present in maintaining the roads on which the proposed line will pass, will be proportionately reduced and that the Government can have a better control over the line than it would be the case with a private company.

Thirdly, the question of levy of 3 pie cess be deferred for the present and considered after the present policy of the Board as enunciated above meets with the general approval of Government.

2. Read Government Order No. 7584-8—L. B. 227-12, dated 27th March 1913, sanctioning the holding of a cattle show and an Agricultural Exhibition at Magadi, subject to the approval of the District Board being obtained therefor.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.
